

Expression of Interest.

Do you want to learn to play the ukulele?

Ukulele club is open to students from Y2-Y6 and will run in the library on Tuesday afternoons 2.50 – 3.25pm. This will be an informal club where we will be learning some basic chords, strumming patterns and hopefully learning some easy songs chosen together as a group, as we get better we may try some performances. I will be asking you try to practice for 10 mins a day 4 times a week so we can improve.

In order to be able to learn together we will be starting with a maximum group of 8 students. We may take a 2nd group later in the year if we get enough interest.

You don't need your own Ukulele (you will be able to borrow a school one).

You don't need to know how to play at all (we will all be learning together).

If you have any further questions about ukulele club please email Mrs McKean, celina.mckean@education.wa.edu.au

Please return this form by **Friday 10th FEB**

Uke club students will be notified week 3 and first session will be Week 4 Tues 21st Feb
