

Year 5/6 Camp Expression of Interest

Dear Parents and Carers,

I am very excited to let everybody know that we will be going to camp in Term 4 of this year. We have booked the Year5/6 Camp from Wednesday, 6 November to Friday, 9 November 2024 at Swan Valley Adventure Centre in the Middle Swan.

The expected cost for the camp is approximately \$280.00 to \$320.00. The final cost will be determined by the number of students attending camp and the activities that the students will participating in.

If you feel staying overnight is too much for your child, there is also an option for students to attend camp during the days only. If this option interests you, students will be able to travel on the bus to camp on the 6th and home on the 9th, all travel to and from the camp at all other times must be sorted by families (dropped off for first activities and picked up after dinner).

Please complete the attached form below and return it to your classroom teacher by no later than Friday, 22 March 2024 (Week 8, term 1).

More information regarding camp will be sent out throughout the year.

Kind regards

Denise Pires,
Principal
